P. S.

a series of rendezvous
chance connections
associations

synchronous events
like hail falling

correspondences,
mismatched components
displacements,
impressions.

"collaborators" of sorts.
at the mercy of
borders
bandwidths
languages

open to
contingencies
double crossings.

to divulge or betray,
what is transparent or
opaque
present or far

- water
- submerged
- listing
- sinking

an image was removed and destroyed
an object was dismantled and then replaced with another
and they replaced with another
unrelated to the first.
identical to the first.

In her backyard
In his back street
In the back of my
mind
